

# ***Private Residential Hardscapes***

**Custom Designed and Built BBQ Unit, Seat Walls with Integrated Lighting, a Paver Patio and Pathway Connecting the Front & Back Yards.**

## **Landscape Architect for Design/Build Projects:**

Nathan Hale, our Residential Project Manager, is a Landscape Architect licensed through the State of Oregon.

These are just a few of the hardscapes installed by Cascadian that Nathan designed and managed the construction of at various residences throughout the Portland Metro Area and Southwest Washington.

As a landscape architect, Nathan is very experienced in working with a variety of designs to fit all budgets. He has a niche for providing landscape design/builds without sacrificing quality or attractiveness.

## ***Water Feature***

- Maintenance Free Landscaped Back Yard consisting of mostly Hardscapes with a Bubbler Rock Water Feature
