

# ***Skamania Lodge***

## 1993 to Present

Cascadian Landscapers installed the original landscape back in 1993 when the lodge was first built. Since then, we have worked with the Skamania Lodge Staff to Design and Build their wedding site/amphitheater venue, fire pit and seating area, ADA compliant pathways and platform areas, along with other projects around the lodge.

Skamania Lodge is Located in the Columbia Gorge on the Washington side in Stevenson, WA.

## ***Amphitheater***

- Boulder Walls and Terraced Grass Platforms Create the Sitting Area of the Amphitheater

## ***Fire Pit***

- This Custom Built Fire Pit with Seat Walls and a Paver Patio Seating Area is the latest addition for Skamania's guests

## ***Wedding Site***

- The Wedding Site consists of the Amphitheater Sitting Area and a Paver Stage that overlooks the Columbia Gorge to the Oregon side
